

Wels, 18<sup>th</sup> of April 2018

## **COMPATIBILITY OF FRONIUS INVERTERS WITH SCHNEIDER INVERTER/CHARGERS**

### **Fronius International GmbH**

hereby states that the below listed inverters

/ **Fronius PRIMO 3.0-1 to 8.2-1**

/ **Fronius SYMO 3.0-3-M to 20.0-3-M**

if set to microgrid mode are compatible with the following Inverter/Charger

/ **Schneider Electric Conext XW+**

Warranties from Fronius will remain valid as long as the design rules for the PV system are obeyed.

Fronius declines any responsibility for any direct or indirect damage, injury or losses, arising or resulting from any malfunction, misuse or defect, apart of the scope of our warranty terms and conditions.

Explicitly Fronius declines any responsibility for damaged integral part of before mentioned, even if caused by Fronius.

Fronius reserves the right, to resign this approval at any time, with immediate effect and without any information, for example if the technology or device shows disadvantageous effects for inverters or other parts of the system, or if new features interfere in any way.
